to the approximate level as recommended in this manual. Page 375 NOTES 5-1 04... Page 376 Section 6 Maintenance Schedule ... Your Vehicle and the Environment ... Maintenance Requirements ... How This Section is Organized ... 6-3 Part A: Scheduled Maintenance Services ... 6-4 Maintenance Schedule Scheduled Maintenance ... 6-4 Part B: Owner Checks and Services At Each Fuel Fill At Least Once a Month ... Page 377 Maintenance Schedule Introduction IMPORTANT: KEEP ENGINE OIL AT THE PROPER LEVEL AND CHANGE AS RECOMMENI Have you purchased the GM Protection Plan? The Plan supplements your new vehicle warranties. See your Warranty and Owner Assistance booklet or your dealer for details. Your Vehicle and the Environment Proper vehicle maintenance not only helps to keep your vehicle in good working condition, but also helps the... Page 378 This maintenance schedule is divided into five parts: "Part A: Scheduled Maintenance Services" explains what to have done and how often. Some of these services can be complex, so unless you are technically qualified and have the necessary equipment, you should let your dealer's service department or another ilified service center do these jobs. Page 379 Part A: Scheduled Maintenance Services This part contains engine oil scheduled maintenance which explains the engine oil life system and how indicates when to change the engine oil and filter. Also, listed are scheduled maintenance services which are to be performed at the mileage intervals specified. Using Your Maintenance Schedule We at General Motors want to keep your vehicle in good working condition. Page 380 Footnotes The U S . Environmental Protection Agency California Air Resources Board has determined that the failure to perform this maintenance item will not nullify the emission warranty or limit recall liability prior to the completim of the vehicle 's useful life. We, however, urge that all recommended maintenance services be performed at the indicated intervals and the maintenance be recorded. Page 381 7,500 Miles (12 500 km) Rotate tires. See Tire Inspection and Rotation on page 5-64 for proper rotation pattern and additional information. (See footnote +.) 15,000 Miles 000 km) 0 Inspect engine air cleaner filter if you are driving in dusty conditions. Page 382 50,000 Miles (83 000 km! 0 Change automatic transaxle fluid and filter if the vehicle is mainly driven under one or more of these conditions: In heavy city traffic where the outside temperature regularly reaches 90°F (32°C) or higher. In hilly or mountainous terrain. When doing frequent trailer towing. Page 383 82,500 Miles (137 500 km) Rotate tires. See Tire Inspection and Rotation on page 5-60 for proper rotation pattern and additional information. (See footnote +.) 90 000 Miles (150 000 km) Replace passenger compartment air filter. If you drive regularly under dusty conditions, the filter may require replacement more often. Page 384 Part B: Owner Checks and Services Listed in this part are owner checks and services which should be performed at the intervals specified to help ensure the safety, dependability and emission control performance of your vehicle. Be sure any necessary repairs are completed at once. Whenever any fluids or lubricants are added to your vehicle, make sure they are the proper ones, as shown in Part D. Page 385 At Least Twice a Year Restraint System Check Make sure the safety belt reminder light and all your belts, buckles, latch plates, retractors and anchorages are working properly. Look for any other loose or damaged safety belt system parts. If you see anything that might keep a safety belt system from doing its job, have it repaired. Page 386 1C+arfnU Sw:+7h Check - m - When you are doing this check, the vehicle could move suddenly. If it does, you or others 1. Before you start, be sure you have enough room around the vehicle. 2. Firmly apply both the parking brake and the regular brake. Page 387 Ignition Transaxle Lock Check While parked, and with the parking brake set, try to turn the ignition key to OFF in each shift lever position. The key should turn to OFF only when the shift lever is in PARK (P). The key should come out only in OFF. Page 388 Part C: Periodic Maintenance Inspections Listed in this part are inspections and services which should be performed at least twice a year (for instance, each spring and fall). should let your dealer's service department or other qualified service center do these jobs. Page 389 Engine Cooling System Inspection Inspect the hoses and have them replaced if they are cracked, swollen or deteriorated. Inspect all pipes, fittings and clamps; replace as needed. Clean the outside of the radiator and air conditioning condenser. To help ensure proper operation, a pressure test of the cooling system and pressure cap is recommended at least once a year. Page 390 Part D: Recommended Fluids and Lubricants Fluids and lubricants identified below by name, part number or specification may be obtained from your dealer. Usage Fluid/Lubricant Engine oil with the American Petroleum Institute Certified for Gasoline Engines starburst symbol Engine Oil of the proper viscosity. Page 391 Part E: Maintenance Record After the scheduled services are performed, record the date, odometer reading and who performed the service and any additional information from "Owner Checks and Services" or "Periodic Maintenance" on the following record pages. Also, you should retain all maintenance receipts. Maintenance Record 6-1 6... Page 392 Maintenance Record (Cont'd) 6-1 7... Page 395 Information Customer Satisfaction Procedure Your satisfaction and goodwill are important to your dealer and to Cadillac. Normally, any concerns with the sales transaction or the operation of your vehicle will be resolved by your dealer's sales or service departments. Sometimes, however, despite the best intentions of all concerned, misunderstandings can occur. Page 396 To assist customers who are deaf, hard of hearing, or speech-impaired and who use Text Telephones (TTYs), Cadillac has TTY equipment available at its Customer Assistance Center. Any TTY user can communicate with Cadillac by dialing: 1 -800-833-CMCC (2622). (TTY users in Canada can dial 1-800-263-3830.) Page 397 United States Cadillac Customer Assistance Center Cadillac Motor Car Division P.O.
